INCORD - Protecting Your World

INCORD

Dear Valued Customer,

InCord is growing and as our business activities expand, so do the states and municipalities in which we have nexus (a physical presence) and are therefore required by law to collect and remit sales tax.

Please note that all sales of tangible personal property and services (including shipping) may be subject to sales tax unless we receive a valid Exempt Purchase Certificate or Resale Certificate for the location(s) where the property will be shipped and/or services will be performed.

The Certificate must be valid as of our invoice date. If you have an exemption certificate please provide the Certificate directly to accounting@incord.com prior to that date and preferably at the time you place your order with us.

To inquire as to where InCord is currently collecting and remitting sales tax, please contact your InCord sales representative or email accounting@incord.com.

Thank you,

Mark English
